ANNOUNCING THE LAUNCH OF OUR NEW [WWW.PMI.HU](https://www.pmi.hu) WEBSITE

We are very excited to announce the launch of our newly designed website. Visit our new website at www.pmi.hu. After five months of hard work and dedication we are delighted to officially announce the launch on August 1, 2020. We wanted to make the new website faster, easier to navigate, and more user-friendly.

As the largest project management not-for-profit leader, it's important for us to make information regarding our thought leadership, services and trends easily accessible for our current and prospective members. We endeavor to provide our PMI Chapter current and prospective members with the most accurate, up-to-date information and share our knowledge and expertise in the field of Project Management.

Our goal with this new website is to provide our PMI Chapter Members, visitors an easier way to learn about PMI Budapest, Hungarian Chapter services, events and to browse information based on their own choice. The new website gives better access to [Who We Are](#), [How We Work](#), [Events](#), [Our People](#), [Blog](#), PMI [Standards](#) and [Certifications](#) and a [Web shop](#), as well as improved [Careers pages](#) and [PM Training Courses](#) offered by our partners and many more.

Amongst the new features the site contains integrated social media buttons for [Facebook](#), [Twitter](#), [YouTube](#), [Instagram](#) and [LinkedIn](#) to foster improved communication with our PMI Chapter Members. We will be constantly updating our content with helpful information, cutting edge thought leadership, company announcements and Member successes in the Blog, News and Knowledge Center. You can also sign up for our Monthly newsletter.

We would also like to thank our amazing Volunteers at PMI Budapest, Hungarian Chapter who donated their time and energy to make this site what it is, and our web partner MG2MEDIA who have been a fantastic partner for us – we wholeheartedly recommend them!
